Low	2	2	4	6	8	10	
Very Low	1	1	2	3	4	5	
		1	2	3	4	5	
		Minor injury – No First Aid required	Minor Injury or illness First Aid required	Severe Injury – Hospital treatment required	Major injury – long- term incapacity or disability	Death or major incapacity	

13 and above - High Risk
Get a Parish Health and Safety advisor to help if you don't know what to do to reduce the risk

4 – 12 - Medium Risk
You should be able to work out what you have to do to reduce the risk.

3 or less – Low Risk
If you can think of ways to reduce the risk further – use them.

Severity

Risk Factor = Probability x Severity
